

The Monday Musical Club of Albany, New York
Founded in 1904

To all Music Students Graduating in 2009,

In the year 2004, in celebration of the Centennial of its founding, The Monday Musical Club of Albany established the Helen Henshaw Memorial Scholarship Fund, in order to present scholarships to graduating high school seniors who are going on to study music as their principal subject at colleges, universities, conservatories, or schools of music. The award amount is \$500.

This year winners will be announced at our Annual Banquet to be held June 1, 2009. Each winner will also be invited to perform during the regular concert season at one or more future programs of The Monday Musical Club in Albany.

Eligible students will have applied to and been accepted as music majors in a college, university, conservatory, or school of music. Applications will consist of the following:

1. A brief essay (1000 words or less) describing why music is their chosen career, what they hope to accomplish through further study of music, and the role that music plays in their lives.
2. A performance tape (cassette) or CD containing 15 to 45 minutes of their main area of performance (vocal or instrumental). Composers, theory, or music technology majors may provide written compositions or other evidence of expertise in their chosen fields.
3. Proof of acceptance as a music major at the chosen college, university, conservatory, or school of music and evidence of intention to attend (tuition deposit, or other such proof). Photocopies of documents are acceptable.

The deadline for applications is 29 May 2009. All application materials should be sent to our Corresponding Secretary:

Ms. Ethel Doring
